	BENCH SEATING

- Walking track along avenue.
- Proposed basketball & netball multi-court. Asphalt surface with Acrylic coating.
- Improved kickabout space with irrigated lawn. Fencing or planting may be provided to distance wildlife from users.
- Three spaces split by gravel path. Skillion roof shelter located adjacent to two play areas. One play area for junior ages, one play area for more advanced play.
- Proposed bicycle racks at entrance.
- Proposed parking bay. Existing table drain to become piped and filled in.
- Landscape buffering to prevent vehicle access and to frame entrance.
- Maintenance access gate.
